BRANDON, MANITOBA

Saturday, February 28, 1970

40 BULLS

14 FEMALES

Consigned by 25 leading herds from five Canadian Provinces and
The United States.

GENERAL SALE INFORMATION

TIME AND LOCATION — Saturday, February 28, 1970. Dairy barn, Provincial Exhibition Grounds, Brandon, Manitoba, Canada, located at the south edge of town on Highway 10. Sale starts at 12:30 p.m.

SHOW — 8:00 a.m. Judge, Jack Ragsdale, Prospect, Ky.

TELEPHONE — (204) 728-4054

SALE HEADQUARTERS — Prince Edward Hotel, Brandon. Make reservations directly to A. H. N. Griffin, manager, indicating you are attending the Canadian International Sale.

HEALTH — The cattle will be sold in compliance with the Health Regulations of the Dominion of Canada and this will make the animals eligible for entry into the various provinces and to cross the U.S. border. Since several states have special requirements, all buyers should be aware of their own health regulations, any special requirements, etc. as all sales are final.

TERMS — The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Checks are to be handed to the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

INSURANCE — Insurance will be available at the sale.

LUNCH — Will be available at the sale.

GUARANTEE — The cattle will sell under the standard guarantee endorsed by the American Shorthorn Ass'n. Where footnotes appear in the catalog, they were furnished by consignors or written from information supplied by the consignor.

Canadian Shorthorn Sales, Inc., sponsors of this event, or the individual consignors cannot be responsible for any accidents that may occur. Every person attending must assume risk of injury to himself. The guarantee shall constitute a contract between the buyer and seller of each lot. Neither the sale manager nor the auctioneers, nor the clerks assume any liability of any kind. They were employed by Canadian Shorthorn Sales, Inc. for specific tasks, promotional and clerical, and have nothing to do with the handling of the cattle or the condition of the premises. The sale manager can assume no liability for the fulfillment of guarantees or errors in health papers.

RECORDING IN U.S. HERD BOOK — The specific fee levied by the American Shorthorn Ass'n on animals imported from Scotland, their sires, dams, etc., where applicable to cattle purchased in this sale by U.S. buyer will be paid by the consignor. All other cattle will be transferred to the new owner in the Canadian herd book and it will be the responsibility of the U.S. buyer to pay the additional \$10 fee required to transfer from the Canadian to American herd book.

BANQUET — A Dutch-treat banquet will be held at 7 p.m. Friday evening, February 27, in the Prince Edward Hotel, Brandon. It will be preceded by a social hour at 6 p.m. sponsored by the Brandon Chamber of Commerce.

BY-BIDDING — Any consignor proved to have been "by-bidding" will be barred from all future participation in the Canadian International Bull Sale.

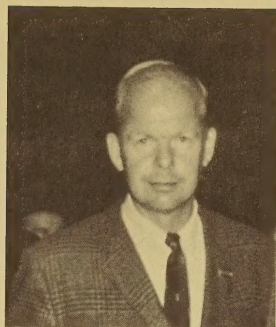

MINIMUM BID — Any bull not receiving the minimum bid of \$400 will be withdrawn from the sale ring.

SALE MANAGER — Harris Simons, 16 S. Locust St., Aurora, Ill., U.S.A. Telephone (312) 896-8511.

GENERAL INFORMATION

Getting to the sale . . . Excellent highways and trains serve Brandon. By plane your best connection is through Winnipeg. From Winnipeg to Brandon (**daily except Saturday**) is a Trans Air Limited flight departing Winnipeg at 3:30 p.m. and arriving Brandon at 4:10 p.m. **Plane service is not available from Brandon back to Winnipeg on Saturday or Sunday.** Those wishing to leave from Brandon on Saturday evening after the sale can drive to Winnipeg, about 2½ hours from Brandon. Rental cars are available in Brandon and groups are always available with which to share expenses.

Those who prefer trains can take Canadian Pacific train No. 1 from Winnipeg to Brandon departing at 11:40 p.m. and arriving in Brandon at 2:22 a.m. From Brandon back to Winnipeg take Canadian Pacific train No. 2 leaving Brandon at 8:35 a.m. and arriving in Winnipeg at 11:10 a.m. These schedules were accurate in mid-January, but they are subject to change and should be checked.

Harris Simons, the sale manager, will be in Brandon two days before the sale. If you have problems with transportation, call him at the Prince Edward Hotel. Messages may be left with the manager, A. H. N. Griffin.

You will miss too much . . . and barely make the sale, if you plan to arrive in Winnipeg as late as sale morning. If you have time, bus service is also available between Brandon and Winnipeg.

Want to come in your truck? In this way you can load your bull out and head right home. Arrangements are being made to have the U.S. border open at Dunskeith, No. Dak. (just 45 miles south) from 6:00 p.m. Saturday evening after the sale for several hours so you can go through. It will not open again until Monday morning. All health papers will be in order so cattle can go to the U.S. immediately.

Sending for your truck? A night watch will be available through Monday evening if necessary, so if you wish you can send for your truck after the sale. After Monday we will help you make special arrangements for care of your cattle at the farm of some dependable nearby Shorthorn breeder. Good truckers are available in the Brandon area and it is a major point. Stan Durnin, Shorthorn breeder at Brandon, has a truck available for delivery of bulls after the sale for any buyer who wishes to use this service.

We will work with you. Although it is never possible to predict, past experience indicates cattle will move in all directions. We will try our best to help you arrange group shipment most of the way home.

Mail Bids: The following representatives will be attending. You may send bids to them or to consignors. These men may be reached at the addresses given or the evening before the sale at The Prince Edward Hotel.

The City of Brandon annually extends a most cordial welcome to everyone connected with the Canadian International. The former mayor, His Worship Steven Magnacca, is shown welcoming part of the capacity crowd at a former sale.

WELCOME

The success of the Canadian International Bull Sale has become a modern-day Shorthorn legend. Since 1964, when the sale was moved from Toronto to the heart of the beef cattle country, 307 bulls have averaged \$1,100. It has supplanted Perth, Scotland, as the world's leading Shorthorn and Polled Shorthorn bull sale.

Today the sons and grandsons of bulls sold in the Canadian International are themselves setting records as champions and top-sellers throughout North America. Equally important, while the sale has contained many record top-sellers, more bulls sell here within the range of practical cattle-man who wants a **good** bull, than anywhere in the world.

In the production of any sale of such stature, it would be foolhardy to try to thank individuals by name. Hundreds of loyal men and women from throughout the United States and Canada have worked diligently to insure the success of each sale. To each of them our renewed thanks. We also wish to commend the mayor, aldermen and Chamber of Commerce of the City of Brandon who have contributed so much in a material and friendly way.

Be with us on February 28 for the world's greatest bull sale. A cordial Canadian welcome awaits our friends from throughout the world.

ROTHBURY DYNAMIC LEADER x — Do you want a big Leader bull running with your cows? Dynamic Leader weighed 1,810 pounds at 26½ months and is over a ton now. Along with his great size, he has extra thickness, length and tremendous muscling. His sire, Leader 20th, one of the biggest bulls of the breed, sired our \$4,000 calf in this sale in 1968 and our recent reserve champion female at Toronto, first Polled female in history to be a champion at this great show. His mother, one of our all-time greatest females, is also the grandmother of our white calf in this sale and our \$2,000 top yearling female in our last June sale, to mention a few. We have been asked to price Dynamic Leader on several occasions. We refused as we wanted him here, but with Rothbury Gold Leader x and Rothbury Sir Leader x here to assist "Mr. Modern" and since we have so many females from the great Queen family which produced him, he is offered in this sale. **We reserve a semen interest.**

Louada Brunel, AAA, is well known as a stock bull of size and substance that has been used successfully in a number of western Canadian herds. Lot 3 is a son of this massive bull.

SARAGUAY GAMBLER 67th x — He was the 1969 Chicago International reserve senior champion bull and second in the senior yearling class to the International supreme champion. This was the only time he was shown in major national competition. He is by Saraguay Gambler 12th x, that is the youngest bull to be classified AAA in North America. His dam is one of the truly great producing females in the Saraguay herd. Many attractive offers have already been refused for this powerful sire to hold him for the Canadian International. He is extremely long and trim with the substance and overall muscling so much in demand today. His first calf at Saraguay is polled and is easily the best young calf on the farm. Saraguay sells two-thirds interest and possession which includes the right to collect semen in the future at Saraguay's expense.

PLEASANT DAWN MINSTREL 6th x — Pleasant Dawn Riverhurst 3rd x was champion bull at the Manitoba Polled Shorthorn show and sale in October, 1967. He sold for record top price in the history of this sale to date. Minstrel 6th has all the qualities of Riverhurst 3rd, standing well on good feet and legs. He has length, an exceptionally good hind-quarter, wide, straight top, a trim, well-balanced body and a good, clean, polled head. What more could you wish for a herd sire? His sire, Riverhurst 3rd, weighed more than 2,100 pounds after a summer of breeding at three years. He proved himself a champion and sired an outstanding group of bull calves that are growing into big, rugged sires. His grandsire, Hi Way Royal Oak x, after seven years of breeding for us, still weighed 2,190 pounds at eight and one-half years. Each crop of calves had consistently-large, correct young bulls that weighed over a ton at three years in breeding condition. Don't miss the opportunity to look over this young bull, from a polled herd started 28 years ago with females from one of the oldest established polled herds in Manitoba.

Distance in this modern era of transportation should not prevent a breeder looking for a stock bull from attending this sale. Elsewhere in this catalog are noted plane and train schedules to Brandon. You owe it to yourself to be there.

GREENHAULME LEISHMAN 6Z x — A good-boned, growthy bull that was shown last summer with considerable success. He was fourth in class and second-prize Saskatchewan-bred bull at Regina Spotlight Show, and in the first-prize group at Estevan and Yorkton. We should have calves by him by sale time. Steers by Carig Roan Leishman x have done well in interbreed shows, winning three out of four. The best had a dressing percentage 65% and they averaged 63%.

The bulls for this sale have been carefully selected for size, substance and soundness by the individual consignor. As a further guarantee that only the highest standards for the entries to this sale are kept, the sale committee has retained the privilege of culling any bull which they consider to be unworthy of inclusion in this sale. Your search for a stock bull can end right here. At the very least you owe yourself and your herd a look.

BOA KAE ROYAL MINT x — A double-bred Carig White Cloud x, sired by Boa Kae Royal Oak 2nd x. His dam is a 1,400-pound daughter of Carig White Cloud x. Royal Mint's weight on Nov. 4, 1969, was 1,350 pounds. This bull is long, trim, well-muscled, and upstanding herd bull prospect. As for a show record, Royal Mint x stood second to our Calgary champion; was reserve grand champion at Lethbridge; won his class at the Regina Spotlight show; went on to be named reserve junior champion bull there. The two bulls we have entered in this sale together won the champion pair of bulls trophy at the Regina Spotlight Show.

All the females are checked safe in calf. He was on the Federal-Provincial Beef Cattle Test Program and his A.D.G. birth to weaning index was 102; his A.D.G. average 168-day feeding period index was 124 and his weight per day of age was 2.69 pounds, and an index of 112. His 365-day adjusted weight was 982 pounds. He weighed 1,430 pounds on December 23. The sire of this bull was the Philpott bull and weighed 2,260 pounds on his fifth birthday and never had a pound of grain for the two years prior to that. I bought the big Rosebud cow from John Fedosa and she is one of the biggest cows I own. This bull will make one of the best.

He is a three-fourths brother to Rothney Constrictor that was International reserve senior champion, grand champion of the Eastern National and reserve grand champion of the Pennsylvania National as well as being grand champion of the Minnesota and South Dakota State Fairs. Constrictor was also by Scotsdale Trooper and out of a granddaughter of Calrossie Problem, as is Don Quixote. Calrossie Problem, the sire of Rothney Susanna, was a very big, long bull used successfully at Remitall Cattle Co. Bapton Cairnbrogie was a full brother to Bapton Constructor, both being by the massive Calrossie Constellation.

KEMWOOD BANNER WARRIOR — This young bull was produced by the type of female everyone is looking for today. The sire, Scotsdale Warrior, is also the modern type . . . big and rugged with lots of length combined with good feet and legs. This young bull we are offering has the same characteristics as his sire, size for age, length, ruggedness, good feet and legs, and the potential to grow. He was on the show circuit this summer and did very well for us, especially at Regina International Shorthorn Show, where he was seventh in a strong class of more than 30 yearling bulls. He has done very well since that time.

THE PERTH OF NORTH AMERICA

The original purpose of this sale was to give pure-bred breeders and quality minded commercial men a place to come for outstanding Shorthorn bulls. This has been accomplished. For the past two years this sale has out-averaged the world famous Perth sale in Scotland. Although bulls have sold here for as much as \$8,100, there have been many sold in the \$500 and \$1,000 range that have moved into leading commercial herds throughout the area.

Saraguay Gambler 12th x was the youngest bull ever to be classified AAA in North America. He sired the second-prize pair of bulls at the International Livestock Exhibition, both of which sell.

Remitall Banner was the \$8,000 grand champion and top of the 1967 Canadian International when he sold to John Shuman and Davison Ranch of Colorado.

Remitall Gold Emblem was the 1968 grand champion and all-time record top at \$8,100 when he sold to Melbourne Farm, Big Rock, Ill.

Here Are a Few of the Great Ones

Whether you are a leading registered breeder or quality minded commercial cowman, Brandon is the place to find the kind of Shorthorn bulls that will show profit and progress in your beef program.

A glance at the table below will show that there have been some high priced bulls sold, but further study will also show that more than half of the bulls have sold for \$1,000 or less, well within the range of commercial herds.

Bulls from this sale pay their way:

Example!

Remitall Banner sold for \$8,000 in the 1967 sale to John Shuman and

Remitall Ideal Mint was the \$5,300 second-top of the 1968 sale, going to Wendell Lovely and Kenneth Glantz of Montana.

Sons, Byers, Colo. and Davidson Ranch, Elizabeth, Colo. In the Shuman production sale in 1968 his first five calves sold at auction totaled \$10,925.

Example!

Bapton Toreador sold in the 1964 sale for \$5,000 to Mains Farm, Poulsbo, Wash. He resold in their 1967 sale for \$10,000 after extended use.

Example!

Remitall Captain Jim sold in the 1966 sale at \$3,500 to Melbourne Farm, Big Rock, Ill. His sons in their 1968 sale averaged more than \$1,700. A son in 1969 was top-selling bull in the U.S. Two sons won championships

Scotsdale Audacious brought \$4,100 in the 1968 sale to the Oklahoma Land and Cattle Company, Pawhuska, Okla.

Remital Super Constellation was grand champion of the 1969 Canadian International and sold at \$3,800 to Dr. C. E. Harlan, Ava, Mo.

Rothbury Dynamic Leader 17th x was reserve grand champion and \$6,000 top of the 1969 sale, going to Mrs. W. C. Pitfield, Montreal, Quebec.

from Other Canadian Internationals

at the 1969 International and his progeny made up the winning get and other groups.

Example!

Boa Kae White Tornado x sold at \$3,500 in the 1968 sale to Four Dees Farms of Illinois and Miles

Mann of Iowa. A female carrying his service is the record top of the 1969 Illinois Polled Sale and his sons at both farms are in active demand.

Bulls from the Canadian International are within the reach of everyone.

Here's how they have sold in the six Brandon International Bull sales:

Less than \$500	53
\$500 - \$700	95
\$750 - \$1,000	53
\$1,000 - \$1,500	52
\$1,500 - \$2,000	19
\$2,000 - \$4,000	25
Over \$4,000	10

307 bulls have totaled \$336,760 to average \$1,097.

Aberfeldy Grand Duke was reserve grand champion of the 1967 sale when he brought \$3,000 from Davison Ranch in Colo.

Boa Kae White Tornado x sold for \$3,500 in the 1968 sale to Four Dees Farms of Illinois and Miles Mann of Iowa.

His mother is one of ten cows we selected from Sid Coulthard, who has one of the oldest performance tested herds in Canada. The 24th has been raised the practical way with 35 other yearling bulls on grass.

The International supreme grand champion, Scotsdale Lucifer, is one of the most famous sons of Perth supreme champion, Calrossie Prefect. Lot 30 is a rare opportunity to buy a son of Scotsdale Lucifer.

KEMVILLE LUCIFER — A big, growthy son by the International reserve grand champion Scotsdale Lucifer that has bred so well at Scotsdale Farms. His dam, Kemville Roan Lady, is a big, strong daughter by Louada Brunel AAA. This cow family has bred extremely well for us. A rare opportunity to buy a mating of this kind. We are very grateful to S. G. Bennett, who let us use Scotsdale Lucifer on a few top daughters of Louada Brunel.

Gloriadale Bonaparte x has recently been classified AAA by the Canadian Shorthorn Ass'n. He is by the AAA Constellation of Bapton x, and is a half-brother to the AAA Captivator of Bapton x. Lot 31 is the first son of Gloriadale Bonaparte x to be offered at public auction.

GLORIADALE ROYAL RANGER x — He is the first son of the already renowned Gloriadale Bonaparte x, recently classified AAA, to be sold at public auction. His grandsire, Constellation of Bapton x, was also AAA. Ranger's dam is one of the good Mayflower cows at Gloriadale. Ranger's grandmother is the famous Birmingham Mayflower 4th x that calved the renowned Gloriadale Meteor 5th x which bull did such a tremendous job at Gloriadale and for the entire breed. Ranger's great granddam, Aberfeldy Augusta Amelia 2nd, was a half-sister to Aberfeldy Deacon, that was the grand champion at Chicago. In his extended pedigree he has four ton-bulls, Gloriadale Bonaparte x, Constellation of Bapton x, Gloriadale Meteor 5th x and Birmingham Meteor x. This young bull has tremendous bone and is a rugged individual with a great hair coat. He represents all the good blood lines that has made Gloriadale cattle famous.

REMITALL ELITE MINT — His weight at ten months, 13 days, was 830 pounds. He is one of the largest and trimmest calves we have produced. Elite Mint will surely sire the type so sought after today. He is linebred to insure prepotency. Here is a real prospect for the summer shows and as a stock bull. Remitall Choice Mint topped the 1969 Remitall sale when half interest sold at \$5,100 to McIver Bros., Farwell, Minn. Remitall Prima Donna sold at \$2,550 in our 1969 sale to Hollyshire Shorthorns, Holly, Mich.

GOOD HOPE SILVER PRINCE x — Here is a modern stock bull prospect carrying the bloodlines of two of the greatest Shorthorn bulls in western Canada, Calrossie White Emblem and TPS Coronet Leader 21st x. He's from one of the top brood cow lines ever in Manitoba, the Maude family of the late John Inkster. His sire is one of the top sons of TPS Coronet Leader 21st x and a three-quarter brother to Weston Trade Mark 3rd owned by Acadia Farms, Northfield, Ohio, and Dr. Martin Nold of South Dakota. Silver Prince is typical of his sire, being very trim, thick, smooth, with length and plenty of muscle, all of which is needed in today's cattle industry. Many cattlemen have said that Trademark 2nd x is probably the best-balanced, best-muscled, and best hind-quartered son of Leader 21st x. **We are selling two-thirds interest, but wish to retain show rights for the 1970 show season.**

Brandon is within easy traveling distance for anyone searching for that "just right" herd sire. Brandon is located 120 miles west of Winnipeg, Manitoba. Winnipeg is a transportation hub with excellent air and rail connections.

FEMALES SELL

In The

CANADIAN INTERNATIONAL

For some time the board of Shorthorn Sales, Inc., sponsoring organization for the Canadian International, and the long-time consignors to the sale have considered adding a few choice females to the world's leading Shorthorn and Polled Shorthorn bull offering. A number of buyers in former sales wholeheartedly concurred with the suggestion.

Accordingly, this year for the first time, a select draft of females is catalogued. They are from Canada's leading herds and in calf to stock bulls famous wherever Shorthorns and Polled Shorthorns are known.

You might well consider the advantage of adding one or two of these great heifers to your herd on February 28.

SUNNYHILL M BONNIE 3rd x — A deep red, well-balanced, polled heifer sired by Sunnyhill M Damascus x, that had an average daily gain on test of 4.17 pounds. Bred since July to Sunnyhill M Expansion x, our junior herd bull A.D.G., 3.70 pounds with a 2.72-pound weight per day of age. Bonnie has the quality and, considering the high testing bulls in the background, should produce a herd bull for anyone.

CARLAN LORNA PAULINE — Glamis Benefactor, sire of this heifer, was unbeaten in the show-ring in Britain and has since been used in the KC herd with enviable success. The dam, also imported, has an impeccable pedigree. We have a half-sister to this heifer being retained in the herd. She was bred December 8 to Louada White Duke.

ROTHBURY MISS CINDERELLA PHIL 5th x — Here is a full-sister to Rothbury Dynamic Leader 17th x, last year's reserve champion and top seller at \$6,000 for two-thirds interest to Mrs. W. C. Pitfield. She is a great calf, the best of our 1969 crop. We shouldn't be selling her as her kind doesn't happen too often, but her mother is still young and "Mr. Modern" is right in his prime. We hope she gets a good home, she deserves it.

Remitall Super Event topped the 1968 Remitall sale at \$8,600 for two-thirds interest. He also sired the great champion bull of the 1969 Canadian International Bull Sale. Lot 51 is a daughter.

KINNABER CLARET CORONITA 2nd x — Offered jointly with Dr. Martin Nold, Gettysburg, S.D., who owns her dam with us. She was slated to head our 1970 sale as a special attraction, but Harris Simons talked us into putting her into the Brandon International. She is young but she is great and is a full-sister to the \$7,250 (for two-thirds) bull that topped the 1969 Stanford, Mont., sale to C. E. Jernberg, Atlanta, Ga. Dr. Byron Good, Michigan State University, called him, "The best Shorthorn bull I've ever seen. He's the kind that will keep Shorthorns in competition with the other breeds," he said. He'll be shown extensively at the leading 1970 U.S. shows. Major cattlemen are already predicting him the bull to beat in 1970. Now we offer his full-sister to you. Be sure to see her dam at Kinnaber at sale time. The last two years Kinnaber females have won at the leading U.S. shows consistently as no other females from any herd have ever won before. Here is our leading 1970 female. We stated Kinnaber Lily Coronita x would be the female to beat in 1969 and she has proven just that. Kinnaber Claret Coronita 2nd x, could be the female to beat in 1970. **We reserve show rights on her through to the 1970 Regina show in August.** She will then be delivered to her new owner and he is to show her at the leading 1970 U.S. shows if he wishes. Because of help shortage we will not be showing our herd in the 1970 U.S. shows. Here is a future champion that can win for you and develop into a brood cow foundation for any herd. She sells with breeding privilege to any of our many herd bulls, one for instance, the sensational Kinnaber Mr. Thieman x . . . you'll want to make it a point to see him at Kinnaber at the International sale time.

The crowd at the Canadian International is legendary. This photograph was taken at the 1968 sale and appeared on the cover of the March 1 issue of *The Shorthorn World*.

ROTHNEY MELINA 42A x — On November 1, 1969, she scored a weaning weight of 560 pounds. Here's a very modern show prospect for next summer. If Rothney were showing in 1970, she would have been the first choice for the show herd. Her dam is the biggest Bapton Constructor cow in the Rothney herd. This excellent young heifer is clean headed with a high poll.
